JOURNAL OF
Neurobiology

Editors

Darcy B. Kelley • Eduardo Macagno
Department of Biological Sciences, Sherman Fairchild Center for the Life Sciences
Columbia University, New York, New York 10027

Moses V. Chao
Department of Cell Biology and Anatomy,
Cornell University Medical College, New York, New York 10021

Managing Editor: James Hartzell

Dr. Albert Aguayo
Montreal General Hospital
Montreal, Quebec
Canada H3G 1A4

Dr. Arthur P. Arnold
University of California
Los Angeles, California 90024

Dr. Barbara A. Barres
Stanford University
Stanford, California 94305

Dr. Mark Bothwell
University of Washington
Seattle, Washington 98195

Dr. Sarah W. Bottjer
University of Southern California
Los Angeles, California 90089

Dr. Marianne Bronner-Fraser
Division of Biology, 139-74
California Institute of Technology
Pasadena, California 91125

Dr. Don W. Cleveland
Ludwig Institute
University of California, San Diego
La Jolla, California 92093

Dr. Chris Q. Doe
University of Illinois
Urbana, Illinois 61801

Dr. Gerald D. Fischbach
Harvard Medical School
Boston, Massachusetts 02115

Dr. Fred. H. Gage
Laboratory of Genetics
The Salk Institute
San Diego, California 92186

Dr. Michael D. Gershon
Columbia University
College of Physicians and Surgeons
New York, New York 10032

Dr. William A. Harris
University of California at San Diego
La Jolla, California 92093

Dr. Mary E. Hatten
The Rockefeller University
New York, New York 10021

Dr. Ed Hedgecock
Johns Hopkins University
Baltimore, Maryland 21218

Dr. Chaya Kalcheim
Hebrew University of Jerusalem-Hadassah Medical School
Jerusalem 91120, Israel

Dr. Cynthia Lance-Jones
University of Pittsburgh School of Medicine
Pittsburgh, Pennsylvania 15261

Dr. Paul Letourneau
University of Minnesota
Minneapolis, Minnesota 55455

Dr. Jeff W. Lichtman
Washington University School of Medicine
St. Louis, Missouri 63110

Dr. Andrew Lumsden
United Medical and Dental Schools
Guy's Hospital
London S31 9RT, United Kingdom

Dr. Eve E. Marder
Brandeis University
Waltham, Massachusetts 00254

Dr. Susan McConnell
Stanford University
Stanford, California 94305

Dr. Douglas A. Melton
Harvard University
Cambridge, Massachusetts 02138

Dr. Kenneth J. Muller
University of Miami School of Medicine
Miami, Florida 33101

Dr. Rodney K. Murphey
University of Massachusetts
Amherst, Massachusetts 01003

Dr. Ronald W. Oppenheim
Wake Forest University–Bowman Gray Medical School
Winston-Salem, North Carolina 27103

Dr. John Palka
University of Washington
Seattle, Washington 98195

Dr. Huntington Potter
Harvard Medical School
Boston, Massachusetts 02115

Dr. Melitta Schachner
Swiss Fed. Institut Technologie Zurich
Zurich 8093

Institute of Neuroscience
University of Oregon
Eugene, Oregon 97403

Dr. Kalpana White
Brandeis University
Waltham, Massachusetts 02254

Founding Editor: Sid Ochs
Editorial Production, John Wiley:
Merilee Croft Olson

Journal of Neurobiology is published monthly except in June and November when semi-monthly, two volumes per year, by John Wiley & Sons, Inc., 605 Third Avenue, New York, NY 10158.

Copyright © 1997 John Wiley & Sons, Inc. All rights reserved. No part of this publication may be reproduced in any form or by any means, except as permitted under section 107 or 108 of the 1976 United States Copyright Act, without either the prior written permission of the publisher, or authorization through the Copyright Clearance Center, 222 Rosewood Drive, Danvers, MA 01923, (508) 750–8400, fax (508) 750–4470. Periodicals postage paid at New York, NY, and at additional mailing offices.

The code and copyright notice appearing at the bottom of the first page of an item in the journal indicate the copyright holder's consent that copies may be made for personal or internal use, or for the personal or internal use of specific clients, on the condition that the copier pay for copying beyond that permitted by law.

This consent does not extend to other kinds of copying, such as copying for general distribution, for advertising or promotional purposes, for creating new collective works, or for resale. Such permission requests and other permission inquiries should be addressed to the Permissions Dept.

Subscription price (Volumes 32–33, 1997): $1,518.00 in US, $1,658.00 in Canada and Mexico, $1,749.00 outside North America. All subscriptions outside US will be sent by air. Personal rate: $260.00 in North America, $344.00 outside North America. Subscriptions at the personal rate are available only to individuals. Payment must be made in US dollars drawn on a US bank. Claims for undelivered copies will be accepted only after the following issue has been received. Please enclose a copy of the mailing label. Missing copies will be supplied when losses have been sustained in transit and where reserve stock permits. Please allow four weeks for processing a change of address. For subscription inquiries, please call (212) 850-6645; E-mail: SUB-INFO@wiley.com

Postmaster: Send address changes to *Journal of Neurobiology*, Susan Swanson, Director, Subscription, Fulfillment, and Distribution, Subscription Department, John Wiley & Sons, Inc., 605 Third Avenue, New York, NY 10158.

Advertising Sales: Inquiries concerning advertising should be forwarded to Susan Levey, Advertising Sales, John Wiley & Sons, Inc., 605 Third Ave., New York, NY 10158; (212) 850-8832. Advertising Sales, European Contact: Michael Levermore, Advertising Sales Manager, John Wiley & Sons, Ltd., Baffins Lane, Chichester, Sussex PO19 1UD, England.

Reprints: Reprint sales and inquiries should be directed to the customer service department, John Wiley & Sons, Inc., 605 Third Ave., New York, NY 10158; (212) 850-8776.

Other correspondence: Address all other correspondence to: Journal of Neurobiology, Publisher, Interscience Division, Professional, Reference, and Trade Group, John Wiley & Sons, Inc., 605 Third Ave., New York, NY 10158.

Information for contributors appears in the first and last issue of each volume.

The contents of this journal are indexed in the following: *Current Contents/Life Sciences, Science Citation Index (ISI), Chemical Abstracts, Excerpta Medica, Index Medicus, BIOSIS, Research Alert (ISI), SCISEARCH Database (ISI), Reference Update*, and *Biological Abstracts*.

This paper meets the requirements of ANSI/NISO Z39.48-1992 (Permanence of Paper).
